

## 2<sup>ND</sup> Call for Entrepreneurs 2023

### Replication & Scale-up Call

Siemens Stiftung, on behalf of the **Smart Energy Solutions for Africa (SESA)** consortium, is inviting local entrepreneurs from Namibia, Nigeria, Rwanda and Tanzania to apply for the 2nd SESA Call for Entrepreneurs, targeting small and medium-sized enterprises with a focus on sustainable energy solutions. Women-led enterprises are particularly encouraged to apply. The SESA project will make available between **EUR 50,000 to EUR 100,000 per selected enterprise** for the design, implementation, and evaluation of submitted replication projects via service agreements.

**This call focuses on selected energy solutions that have been tested and validated by SESA partners and present promising business opportunities to be replicated and scaled up by local entrepreneurs in Namibia, Nigeria, Rwanda and Tanzania.**

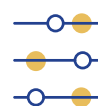

All SMEs selected will be invited to join the SESA Incubator Programme run by the SESA project partner Smart Innovation Norway.

### Benefits of SESA Incubator

Up to €100,000 per selected business

Customised incubation program

Mentoring and training

Business development

Technology support

Visibility
